St David's Day

Saint David's Day or the Feast of Saint David is the feast day of Saint David, the patron saint of Wales. St Davids Day fall on the 1 March, the date of Saint David's death in 589 AD.

Saint David was born in southwest Wales and founded a Celtic monastic community in The Vale of Roses in Pembrokeshire- where St Davids Cathedral stands today.

It's believed Saint David helped found 1200 monasteries in his lifetime. He was recognised as a national patron saint of Wales in the 12th century.
